PHILINTER Features

What makes Philinter different?

🚩 Frontier School

In 2005, Philinter introduced two system that has forever changed the ESL industry.

Professional Teacher System

Philinter is the first school in CEBU, Philippines to use this system where only teachers who has a university degree are hired. Other school at this time hire anyone capable of teaching English.

Buddy Teacher System

Almost all schools now have a similar system where a teacher is assigned to a student as an academic friend. This system originated from Philinter 20 years ago

📍 Prime Location

Safety - Cebu generally has a low crime rate compared to Western standards, making it a secure destination.

Convenient Access - The school is located just minutes away from marine and aqua sports, providing students with easy access to these activities.

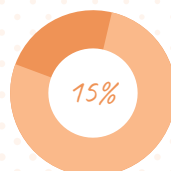

Proximity to the Airport - The school is situated only 10 minutes from Mactan International Airport, allowing students to save time and avoid the hassle of traveling to and from the airport. It is also convenient for their relatives or friends who wish to visit them.

📊 Quota System

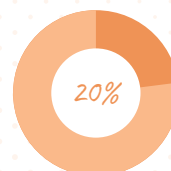

This system can ensure that students from different nationalities are welcomed in Philinter. To promote diversity and inclusivity in the student body, creating a NATURAL ENGLISH SPEAKING ENVIRONMENT, which benefit all students by exposing them to variety of experiences. By interacting with students from different backgrounds, students can learn to communicate effectively, build relationships, and work collaboratively with others.

Focused on Academics

Preview-Oriented Curriculum System

This type of curriculum system aims to help students understand the bigger picture and context of what they will be learning, and to help them stay motivated & engaged by seeing the relevance and purpose of the material.

BENEFITS:

- Students become more prepared in class
- Students become more engaged and active

This system encourages more conversation between the teacher & the student, improving the student's communication skills and their pronunciation.

Result-Oriented Mindset

At Philinter, we place a strong emphasis on the improvement of students' academic goals, as we are dedicated to providing comprehensive academic support that helps them develop their skills and attain the desired results.

This includes but not limited to the following:

Consultation – (providing & leading students to the right academic path).

If students have any academic issues that require immediate attention and action, they can approach the Academic Coordinator or the person in charge of their specific course or subject for assistance.

Mandatory Evening Review – (Teacher guided self-study approach – providing students an environment to perform their after-class academic task on their own pace making them more self-motivated.)

Weekly /Monthly exams – (These exams are designed to help students gain insight into their strengths and weaknesses, enabling them to identify the areas that require improvement. Additionally, our teachers use these exams to monitor student progress and identify areas where additional support may be needed. To ensure accuracy, these exams are tailored to each student's proficiency level, allowing for an objective assessment of their language proficiency.)

Philinter also uses the **Common European Framework of Reference** for Languages (CEFR) leveling system, which is an internationally recognized standard for evaluating language proficiency, to provide an objective assessment of student's level.

Facilities and Services

NEW PHILINTER ACADEMY VIEW
