SSP E- CARD Issuance Notice

1. Mandatory Application for New SSP E- CARD

Target	All students (mandatory to apply along with SSP application)
Cost	4,000 Pesos
Validity	Valid for 1 year from the date of issuance

2. General ACR I- CARD (process remains unchanged)

Target	All students applying for a second visa extension (Korean, Japanese, and other students entering with an Entry VISA: after 59 days from entry) (Chinese, Taiwanese, and other students entering with a first visa issued from their country: after 29 days from entry)
Cost	3,500 Pesos
Validity	Valid for 1 year from the date of issuance

3. SSP Validity and Reissuance due to Extension of Study Period

Previous	6 months
Changed	Limited to the registered study period + submission of a flight ticket copy for periods over 12 weeks. If you wish to extend your study period locally, you must reissue the SSP.

- SSP will be issued according to the initially registered study period.
- If the requested SSP period is 12 weeks or more, submission of supporting documents such as a return ticket is mandatory.
- If you apply for an extended study period locally after the initially registered period, an additional SSP reissuance is required.
- The maximum validity period of an SSP is 6 months. Therefore, if you apply for a study period exceeding 6 months, an additional SSP reissuance is necessary (same as before).

At Philinter Academy, starting from July 1, 2024, we will implement the updated SSP E- CARD regulations in accordance with the guidelines of the Philippine Immigration Office. We will promptly inform you of any changes or revisions (including any retroactive administrative applications) to ensure minimal inconvenience. We appreciate your understanding and cooperation.
