

# MONTHLY PHILINTER

Learn English the right way!

## July Highlights

# TEACHERS TOEIC TEST

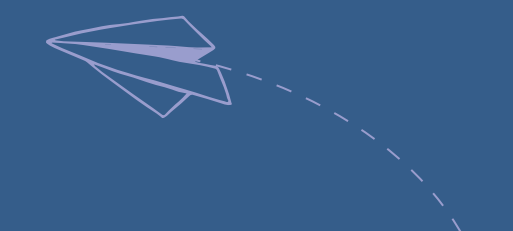

Our dedicated teachers took a significant step in enhancing their professional capabilities by participating in the TOEIC (Test of English for International Communication) exam on July 17. This initiative underscores our belief in continuous professional development, ensuring that our students receive instruction from certified language experts.

**The following educators achieved exceptional results:**

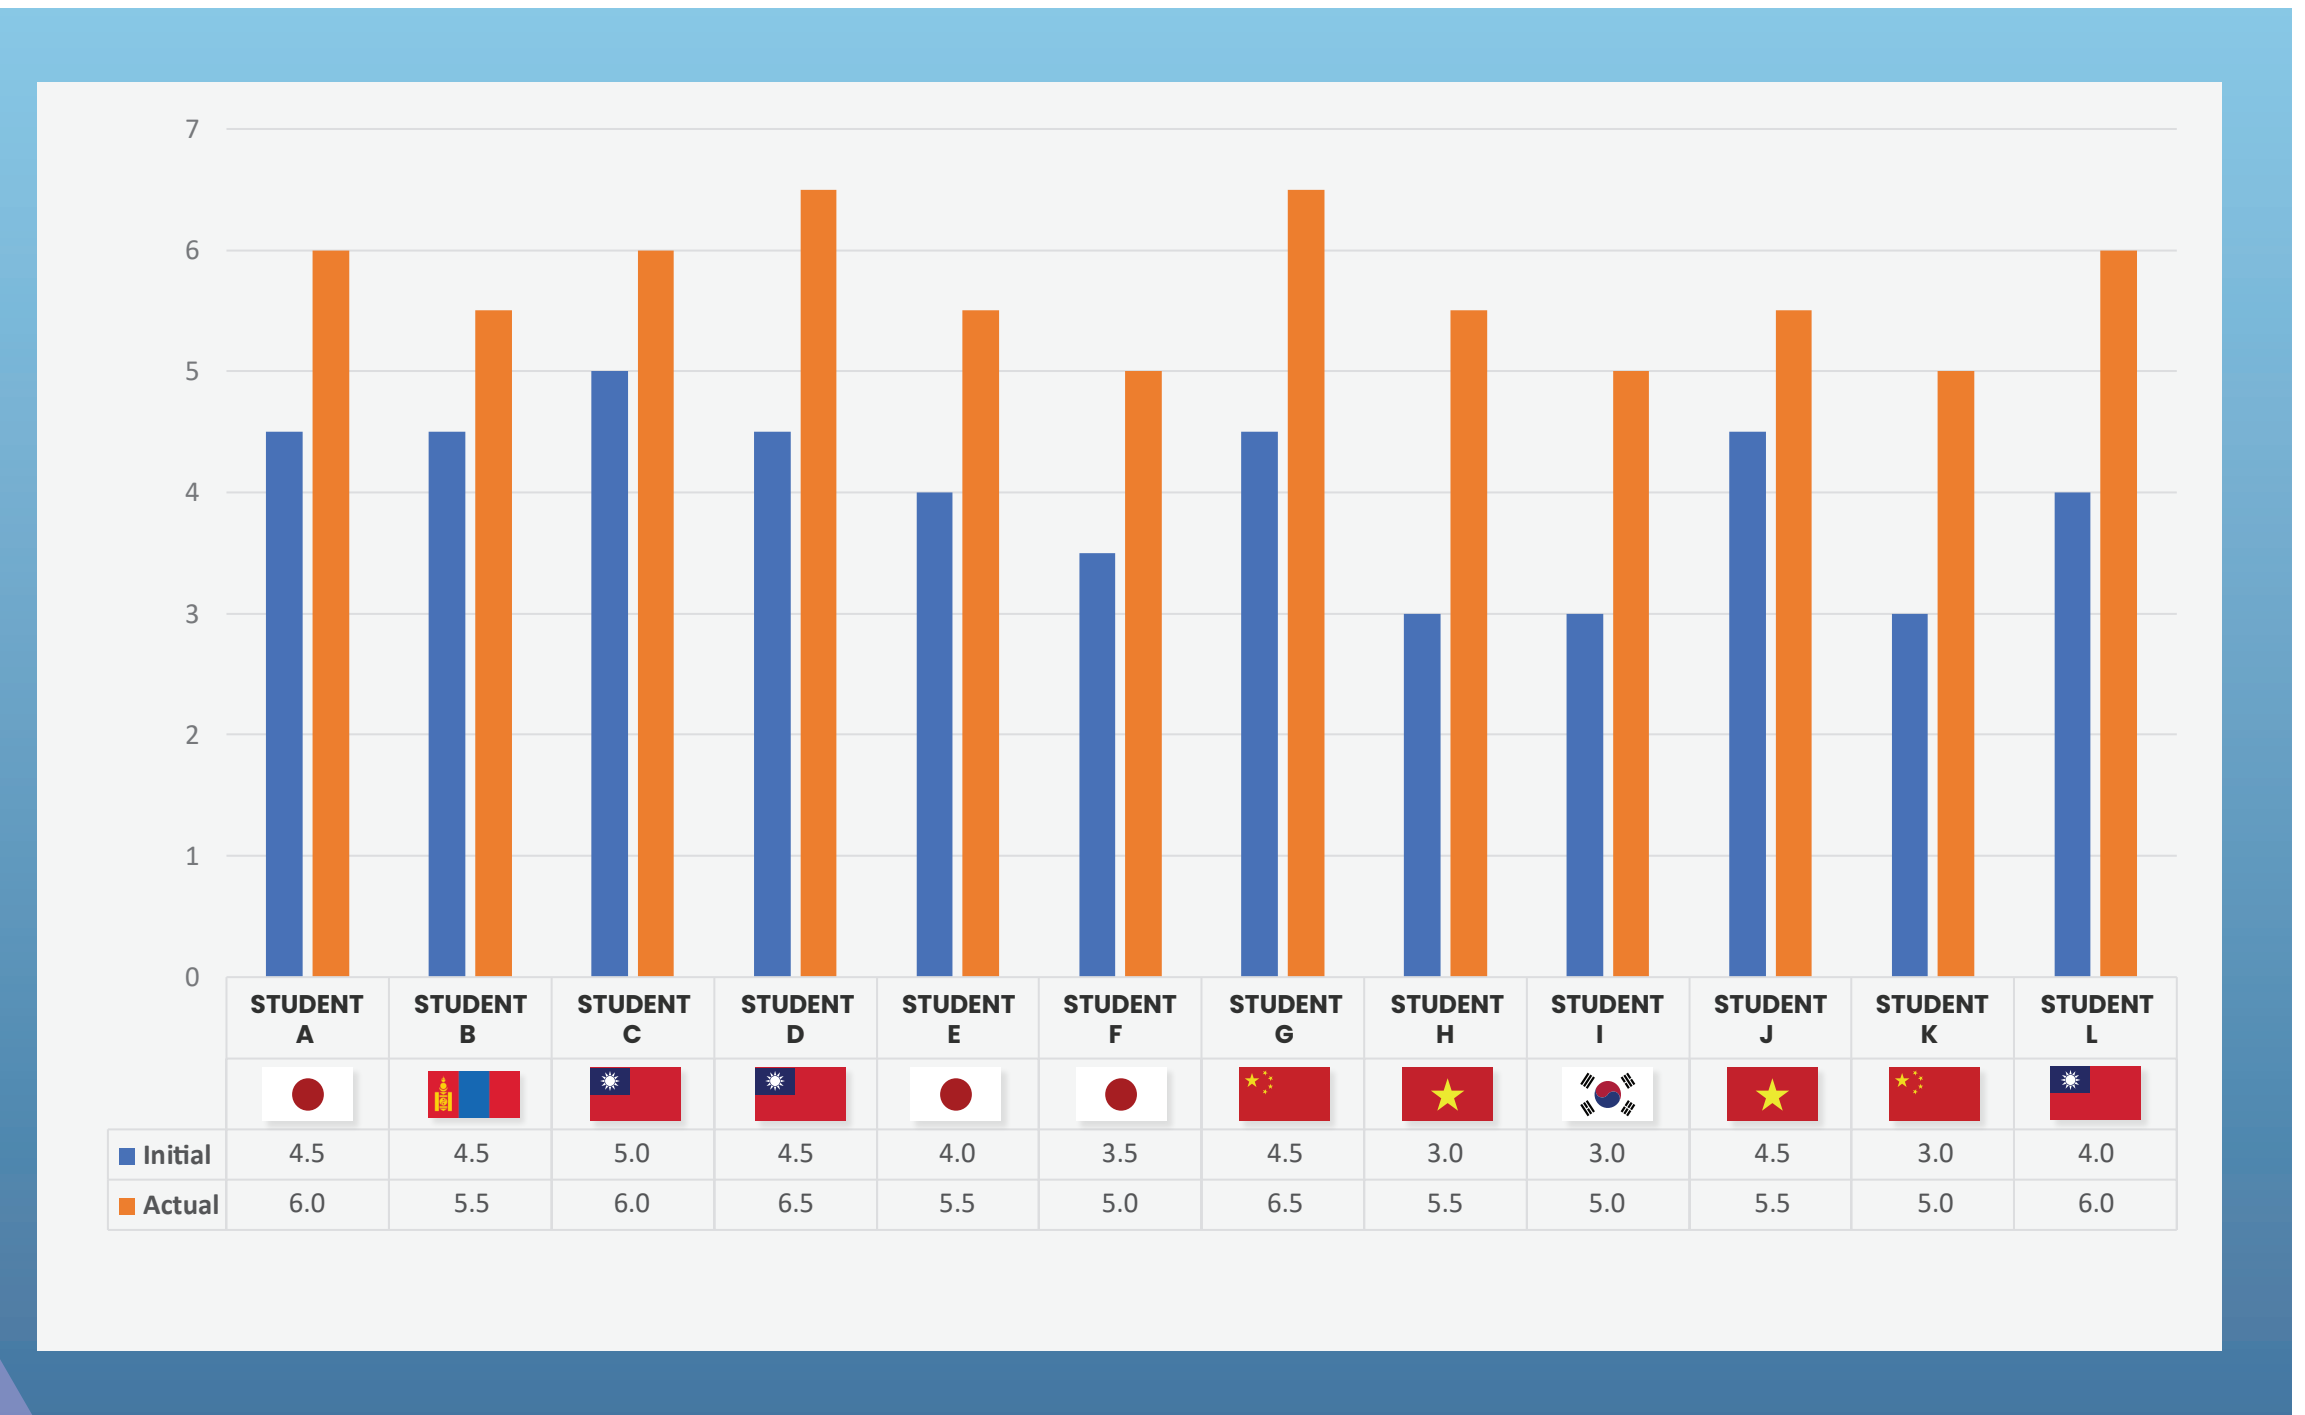

# IELTS OFFICIAL TEST RESULT

*Congratulations!*

July 20 marked our second successful collaboration with the British Council for the IELTS test. Twelve dedicated students participated, demonstrating their readiness for international academic and professional opportunities.

# OUTREACH PROGRAM

July 27, 2024

Philinter students and faculty members organized fun games, educational activities, and distributed healthy snacks to young children at Bukas Palad Foundation.

# BUSINESS PRESENTATIONS

*Japanese*

Our Advanced Business English course continues to produce outstanding results:

## "The Correlation Between Poverty and Education"

- July 11, 2024

Shawn, a Japanese student in our Advanced Business English course, delivered a powerful presentation titled "The Correlation Between Poverty and Education." He not only highlighted how education can significantly impact poverty rates but also proposed actionable solutions, sparking an engaging discussion on this critical issue.

*Shawn*

## "Understanding Human Cannibalism"

- July 23, 2024

Hana took the audience on a fascinating journey through the world of human cannibalism. Her presentation was both shocking and enlightening, challenging their perceptions and expanding their understanding of cultural practices. The audience left with new insights and a lot to think about.

*Hana*

*Taiwanese*

# Taiwanese

Taiwanese student Anli Lee captivated the audience with her presentation on acing job interviews. Anli shared her winning strategies to help students make a lasting impression during interviews. Her practical tips and confident delivery left everyone feeling more prepared and confident for their future interviews.

# August 29

## Sneak Peak English Day

# PHILINTER GOT TALENT

Get ready for an extraordinary event this August! This event will showcase the incredible talents of our students and teachers. From singing and dancing to unique skills and performances, this event promises to be a spectacular display of creativity and talent.
