

MEMO CIRCULAR: 2024.019.ALL STUDENTS

Date: October 3, 2024

Subject: **Electricity Rate Changes**

Dear Students,

Please be advised that starting **October 6, 2024**, there will be changes to the electricity rates and policies as outlined below:

1. Weekly Electricity Fee:

The weekly electricity fee will increase from **₱600** to **₱700**.

*(This change applies to **NEW STUDENTS** only.)*

2. Exceeding 16 kWh Usage:

For those who exceed 16 kWh per week, the additional charge will increase from **₱25** per kWh to **₱30** per kWh. *(This change applies to **ALL STUDENTS**.)*

Please note that the increase in electricity rates is due to recent increase in rates from our electricity provider. For **existing students**, only the change in exceeding 16 kWh usage rates (per student) will apply. However, for **new students**, both the weekly electricity fee and the excess usage rates will be applicable.

We encourage everyone to be mindful of their electricity usage to help manage costs.

Your cooperation is greatly appreciated.
