

# MONTHLY PHILINTER

*February Highlights*

## Premium Junior Speaking Culmination: A Celebration of Growth

February 7, 2025, was a day of creativity, expression, and achievement for our Premium Junior Speaking students! They proudly showcased their progress through an exhibit featuring their artworks—each student explaining their piece in English.

The excitement continued with stage performances, including poem recitations, monologues, and musical drama plays.

Their parents watched with pride as they saw just how much their children had grown. Filled with gratitude, they appreciated the program, the teachers, and Philinter Academy for guiding their children's English journey.

## Business Trips: Taking Philinter to the World—One Trip at a Time

Philinter Academy kicked off 2025 by taking its mission beyond borders! In February, the team traveled across Asia, strengthening partnerships and sharing their vision. The journey started in Bangkok, Thailand, followed by Taiwan, and then Chiang Mai, Thailand.

At every stop – whether meeting partner agents or attending fairs– the Philinter team introduced exciting updates, including the Premium Speaking Course, designed to help students speak English with confidence. But more than that, they built connections, exchanged ideas, and gained valuable insights to further improve the academy's programs.

With new connections, fresh opportunities, and eager students ready to learn, these business trips were a true success!

# Stronger Together: Philinter Expands Global Partnerships

A signature on paper, a handshake, and a shared vision— February marked the start of two exciting new global partnerships for Philinter Academy!

On February 11, 2025, Philinter partnered with Bayangol District in Mongolia, with Deputy Governor Dulamsuren Munkhbaatar and Philinter CEO In Choi signing an agreement to enhance the English skills of Mongolian educators. This initiative will provide specialized training and professional development for teachers across the district.

Then, on February 19, 2025, another milestone was reached as Philinter teamed up with **English Po**, opening new opportunities for students and educators alike. This collaboration aims to bring high-quality English learning to Middle Eastern and Indonesian learners, ensuring they gain the confidence and skills needed to succeed.

Philinter is excited for what's ahead—welcoming new students, strengthening connections, and making quality English education more accessible than ever.

# A Week of Love and Appreciation

Philinter Academy turned February 10–14, 2025, into a celebration of love—not just the romantic kind, but appreciation, kindness, and gratitude!

Students and teachers filled the Love Lock Wall with heartfelt notes, spreading warmth and positivity across the academy. Love was also in the air—literally—as song requests poured in, with talented teachers serenading everyone with beautiful melodies.

To make the week even more special, teachers received simple yet meaningful gifts, reminding them how much they are valued and appreciated. It was truly a celebration of love in all its forms!

## A Glimpse into Excellence

Philinter Academy opened its doors to Angel Explorer Agency for a special Familiarization Tour on February 21, 2025. The experience offered a closer look at Philinter's learning environment—exploring classrooms, meeting educators, and seeing how students thrive in an interactive setting.

With new knowledge and fresh insights, the delegates walked away with a deeper understanding of what makes Philinter a trusted name in English education.

## Outreach Program

Sometimes, the most meaningful moments aren't about what we bring but what we leave behind. On February 22, 2025, Philinter Academy visited The Children of Cebu Foundation, Inc., not just to give—but to connect.

Through laughter, games, and shared stories, we built something priceless—genuine moments of joy and warmth. The children's smiles were a reminder that kindness is felt, not measured.

We came as visitors, but we left as part of something bigger—a reminder that even small acts of care can leave a lasting impact.

# Mr. & Ms. Searcher 2025

In a competition where words mattered most, students at Mr. & Ms. Searcher 2025 took on the challenge of winning hearts through confidence, conversation, and skillful communication.

On February 28, 2025, the spotlight wasn't just on the contestants—it was on their ability to think fast, speak fluently, and showcase their personality through English. The guest searchers listened, the audience cheered, and in the end, two students stood out as the ultimate choice.

But beyond the searchers' final decision, the true takeaway was far more meaningful. Every student walked away with something more valuable—the confidence to express themselves and the proof that language can open doors to endless opportunities!
