VIETNAM BUSINESS TRIP

From March 10 to 17, Philinter Academy visited Vietnam to strengthen partnerships and support students in advancing their English skills.

The team collaborated with partner agencies to discuss program updates, highlighting Philinter's expert faculty and structured learning approach. Agents showed strong interest in the Premium SGC program and praised the academy's detailed student progress reports.

Philinter also participated in the CALA BESA Seminar 2025, the Phil English Fair, and the Viet Phil Livestream Fair—a new experience that allowed the academy to connect with a wider Vietnamese audience online.

All in all, it was a great experience, full of possibilities for the future to come.

SECTION WARS 2025 KICK-OFF PROGRAM

Following the success of Mr. and Miss Searchee in February, the academic team decided to take English Day to the next level in March with Section Wars 2025.

To officially launch the event, the academic team organized a Kick-Off Program on March 10, filled with energy and excitement. The day began with a Flag Design Competition in the morning, followed by a parade of each section, a yell competition, and flag presentations in the afternoon.

Teams proudly showcased their creativity and competitive spirit, setting the stage for the exciting month ahead.

PHILINTER'S COMMITMENT TO IELTS EXCELLENCE

Philinter Academy continues to enhance its IELTS program with both students and teachers actively participating in certification and training.

On March 22, one teacher and nine students took the IELTS Official Test, striving to achieve their target scores. In the afternoon, 15 teachers joined the IELTS Trial Test, a key step toward Philinter's goal of having 70 IELTS-certified teachers. This initiative reflects the academy's commitment to providing students with the best IELTS learning experience.

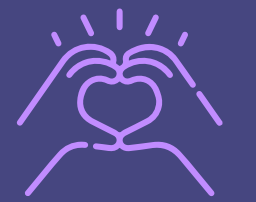

With these efforts, Philinter ensures that both students and teachers are well-equipped for IELTS success.

OUTREACH PROGRAM

Laughter echoed, music filled the air, and heartfelt connections blossomed as Philinter Academy students spent a beautiful day at My Bonita Home for Girls, Incorporated on March 22. With 46 incredible girls, they shared not just games and songs but also stories, dreams, and the simple joy of being together.

This experience was more than just a visit—it was a reminder of the power of kindness and the joy of giving. Seeing the smiles on their faces made every moment worthwhile, and we left with hearts full of gratitude.

CALA Familiarization Tour

2025

Philinter Academy was honored to take part in the CALA Familiarization Tour 2025, a week-long event that brought agents from Taiwan, Korea, Japan, China, Mongolia, and Thailand to the Philippines to explore top ESL institutions and strengthen partnerships.

Kicking off the tour was a lively Welcome Party on March 23, which set an energetic and welcoming tone for the rest of the week. Then, from March 24 to 28, the agents visited various ESL schools, including Philinter Academy, where they experienced its structured curriculum, expert faculty, and student-centered learning approach firsthand.

After touring the Philinter campus, each group was accompanied by the academy's respective country managers for a relaxing island-hopping adventure and an intimate dinner, allowing for deeper conversations and meaningful connections beyond the classroom.

The week concluded with a spectacular Gala Night on March 28, where guests were treated to vibrant Philippine cultural performances and video presentations from each ESL school.

Overall, the experience was a resounding success, leaving all participants with stronger connections and a renewed outlook for future collaborations. Philinter Academy looks forward to continuing to build these partnerships and to providing top-quality English education to students around the world.

The day opened with the **Cheerdance Competition**, where each section brought their A-game, dazzling the crowd with powerful performances and synchronized routines.
