JAPAN BUSINESS TRIP

In the spirit of growth and global partnership, Philinter Academy embarked on an influential business mission to Japan from May 09 to 20, 2025. Leading the trip were CEO Mr. Choi and Japanese Manager Mr. Yuki, who represented the academy's vision of international excellence and its commitment to meaningful collaboration.

Throughout the 12-day trip, the delegation visited over 20 long-standing agency partners across key Japanese cities. These meetings were more than just formal visits—they were heartfelt reunions and strategic dialogues focused on future cooperation, feedback gathering, and exploring updated academic and visa pathways.

In addition to agency visits, the Philinter team actively participated in several prominent education fairs. These vibrant events allowed Mr. Choi and Mr. Yuki to personally meet with prospective students, parents, and education consultants, showcasing Philinter's cutting-edge programs, high-quality facilities, and student-centered culture.

Visitors expressed keen interest in the academy's wide range of English training programs, affirming Japan's growing enthusiasm for immersive English education abroad.

But beyond business, the trip was a celebration of mutual respect and shared values. Warm receptions, thoughtful gifts, and sincere conversations painted the journey with moments of connection. Each stop became a testament to the enduring partnership between Philinter and its Japanese network.

ENGLISH DAY *Speech Fest*

Philinter Academy came alive with energy and eloquence on May 30, 2025, as students and teachers gathered to celebrate English Day, featuring the much-anticipated Speech Fest 2025. Themed around expressing ideas with impact, this special event turned the spotlight on students' speaking skills—through contests that blended performance, persuasion, and personality.

Far from a traditional speaking event, Speech Fest 2025 transformed the stage into a vibrant showcase of voices and creativity. Students took part in a variety of unique and challenging competitions designed to build confidence, enhance pronunciation, and foster public speaking flair.

THE LINEUP *Included*

Chorale Reading Contest

Karaoke Speech Challenge

TED Talk Speech Contest

Voice Acting Challenge

Dramatic Monologue

Each performance was a celebration of growth—not just in language mastery, but in confidence, creativity, and communication. Speech Fest 2025 reminded everyone that English learning at Philinter goes far beyond textbooks—it's about using language to inspire, connect, and express with impact.

TEACHERS EVALUATION TEST (IELTS)

At Philinter Academy, the pursuit of excellence is a shared journey—one that extends beyond students and into the very core of its teaching community. On May 31, 2025, all Philinter instructors took part in the Teachers' Evaluation Test (IELTS)—a focused internal assessment designed to sharpen both skill and strategy.

But this was more than just another evaluation. The IELTS Test served as a reflective milestone—a measure of professional language proficiency and a valuable opportunity for continuous growth. By stepping into the shoes of test takers, our teachers gained fresh insight into the learner's perspective, empowering them to refine lesson delivery, address real challenges, and provide feedback that truly propels students forward.

As our educators continue to elevate their standards, they illuminate the path for our students—helping them not only succeed in the test, but thrive far beyond it.

OUTREACH PROGRAM

With a shared purpose of giving back and making meaningful connections, Philinter Academy held a heartwarming Outreach Program on May 31, 2025, at My Bonita Home for the Girls, Inc.

A diverse group of Philinter students—from various nationalities, cultures, and walks of life—came together to create joyful and lasting memories for the young girls at the shelter.

The day unfolded with performances filled with sincerity and spirit. Students offered lively dances, heartfelt songs, and thoughtful gifts—all shared with the hope of uplifting, connecting, and inspiring. The girls' faces lit up with delight as each student brought a piece of their own culture and warmth to the celebration.

Through this meaningful exchange, the students demonstrated a powerful truth: kindness and joy transcend language. Many described the experience as "unforgettable" and "deeply moving," realizing that even the simplest gestures can spark happiness and hope.
