Monthly Philinter

December Edition

Outreach Program

Hand in Hand for Hope

On **December 13, 2025**, **Philinter Academy** conducted its outreach program at Cabadiangan Integrated School, bringing together staff, students, and volunteers for a day of shared time and support.

A total of 120 children received backpacks, tumblers, slippers, snacks, and lunch meals, along with small prizes from interactive games. In support of classroom needs, the school was also provided with a printer and bond paper for teachers' daily use.

Cabadiangan is among the communities affected by Typhoon Tino, making the visit especially meaningful. Spending time with the children and listening to their stories highlighted the importance of presence, care, and collective effort.

We extend our sincere thanks to the teachers of Cabadiangan Integrated School, our donors and volunteers, and Jollibee for helping bring warmth and joy to the day.

This outreach reminded us that learning and compassion extend beyond the classroom—and that even simple acts can leave a lasting impact.

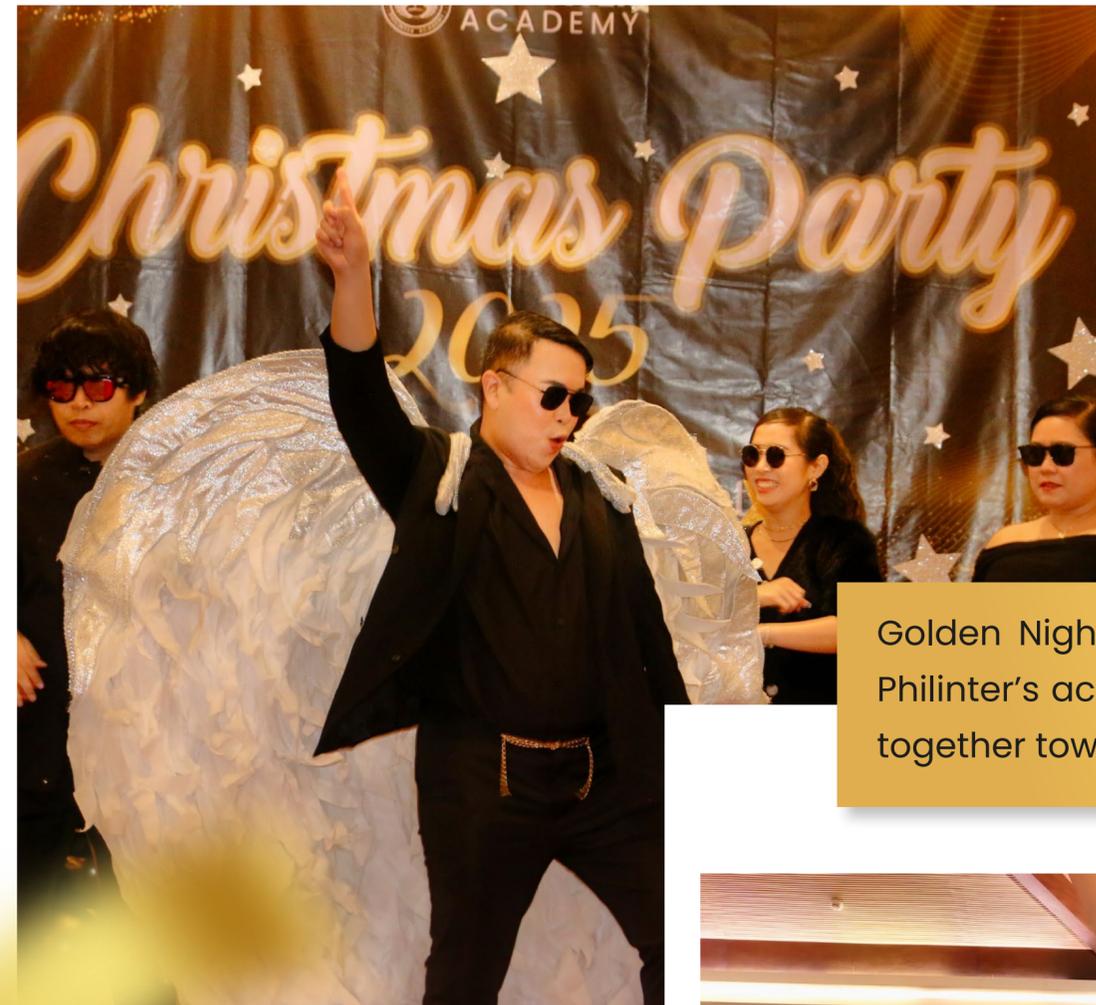

A Night to Remember

Philinter Academy concluded the year with its annual Christmas Party, **Golden Nights**, held on **December 20, 2025**, at the **Maayo Hotel Grand Ballroom**. Teachers and staff gathered for an elegant evening of celebration, camaraderie, and gratitude.

More than a festive occasion, the event served as a meaningful recognition of the dedication, professionalism, and teamwork shown by the Philinter community throughout the year. Thoughtful performances and shared moments highlighted the strong bonds that continue to drive the Academy forward.

“Each one of you is an important part of the Philinter family. Your hard work and dedication made this year possible.”

— **Sir Choi, CEO**

Golden Nights stands as a shining reminder that behind Philinter's achievements are dedicated individuals working together toward a shared vision.

Mongolian Junior Camp Students

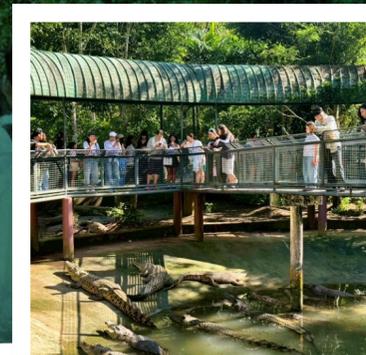

On **December 20, 2025**, Philinter Academy welcomed its **Mongolian Camp students**. Classes officially began on Monday with placement tests, orientation, and the completion of first-day procedures. Even during the holiday season, the campus remained fully prepared to support their learning and ensure a smooth start to their academic journey.

Weekend Activity

Our Mongolian Junior Camp students enjoyed a rewarding weekend excursion at **Cebu Safari and Adventure Park** on **December 28, 2025**. The visit provided students with a refreshing break from their academic schedule while offering a valuable opportunity for experiential learning and cultural exposure.

Activities such as these support a well-balanced program, allowing students to learn beyond the classroom and create meaningful experiences during their stay at Philinter.

Premium Junior Speaking Students

Last month, alongside the Mongolian Junior Camp students, we had the pleasure of welcoming our Premium Junior Speaking students to Philinter.

Unlike previous programs where students attended only SGC (Small Group Classes), this year we introduced 1-on-1 sessions in writing and pronunciation/speaking. This enhancement was carefully designed by our Academic Department to ensure students receive focused guidance, allowing them to truly develop and strengthen their speaking skills.

This initiative reflects Philinter's commitment to personalized learning and academic excellence, providing students with the tools and support they need to achieve meaningful progress in English communication.
