MONTHLY PHILINTER

MAY EDITION 2026

Global Outreach: Connecting with Future Learners in Taiwan and Japan

May was a milestone month for Philinter's international team. We began the journey at the MECO 2026 ESL Fair in Taiwan from May 9–10, meeting highly motivated students with clear plans to study abroad. Most visitors focused heavily on our IELTS programs, asking detailed questions about target scores, course structures, and study timelines.

From Taiwan, our team traveled to Japan for two major recruitment events hosted by ISS Ryugaku:

Osaka (May 10): The event drew a lively crowd. Because IELTS is still gaining traction here, we focused on educating parents and students about its benefits. We also noted a strong regional demand for short-term courses and family programs.

Tokyo (May 17): Featured prominently as a flagship school in the ISS brochure, our booth was busy all day. Visitors here were already familiar with IELTS, allowing us to hold deep, serious consultations regarding enrollment for this summer and next year.

Taiwan

Japan

Overall, these fairs were highly successful in showcasing Philinter's academic strengths and personalizing our offerings for families across Asia.

The Standard of Excellence: Q2 Faculty IELTS Assessment

To ensure our classroom instruction stays aligned with official testing standards, our faculty completed their **2nd Quarter Subject Mastery Assessment for IELTS** this month. To avoid any disruption to student schedules, the Speaking components were conducted during teachers' vacant periods throughout May.

The intensive Written modules were held on the evening of Friday, May 15, and the morning of Saturday, May 16. We extend our deepest gratitude to our educators for sacrificing their weekend time. This dedication reflects their incredible professionalism and commitment to continuous self-improvement.

Final Paper-Based IELTS Official Test

A historic milestone was reached from **May 22–23 as Philinter hosted the Official IELTS Test (Academic Module) on campus for 10 of our dedicated candidates.** The schedule commenced with Speaking evaluations on Friday, followed by the Listening, Reading, and Writing blocks on Saturday.

This session marked a significant transition for our institution, serving as the final paper-based official test administered on our campus. Moving forward, Philinter will shift exclusively to modern computer-based testing formats.

The Busiest Month on the **Business Stage**

Throughout May, the Advanced Business stage remained a hub of discussion, insight, and discovery. Week after week, students stepped forward to share ideas that reflected their expertise, interests, and perspectives on the world around them.

More than a speaking exercise, these sessions became opportunities for students to inform, challenge, and engage their peers through meaningful conversation. With every presentation, students demonstrated not only growing confidence in English but also the ability to communicate complex ideas with clarity and purpose.

The Power of the Spoken Word

On May 28, Philinter Academy held its monthly English Day under the theme **Speech Fest 2026: Voices of Power**, highlighting the importance of communication, creativity, and confident self-expression.

The program opened with a production number by our new teachers, followed by a series of competitions including **Chorale Reading, Public Speaking, Live Dubbing, Teacher's Monologue,** and **Chorale Singing.** Students and staff took the stage throughout the afternoon, demonstrating not only language proficiency but also teamwork, presentation skills, and creativity.

The event concluded with the recognition of outstanding performers across each category, capping off another successful English Day and reinforcing Philinter's commitment to learning beyond the classroom.

As another remarkable month comes to a close, we are reminded that every milestone achieved this May is simply the foundation for what comes next. At Philinter Academy, our journey toward excellence is continuous, and we remain steadfast in our mission to educate and empower global citizens. Thank you for being an integral part of our story this month, and we look forward to reaching even greater heights together in the chapters ahead.
